

Nonprofit Partnership Agreement

- Northeast's non-profit partnership agreement is a process and form that must be completed once a year.
- The partnership agreement should be completed in January/February, with the nonprofit and the liaison. If the liaison would like the Outreach Pastor to attend, please communicate with the Outreach Pastor.
- Prayer, Provision (resource management), and People (Volunteers) must be a central discussion point.
- The partnership agreement template will be emailed to all liaisons in early January.
